NOTE 1 - BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards is presented on the Commonwealth's statutory basis of accounting. It is drawn primarily from the Massachusetts Management Accounting and Reporting System (MMARS), the centralized accounting system which is the basis for the Commonwealth's combined financial statements - statutory basis as published in the Commonwealth's Statutory Basis Financial Report for the fiscal year ended June 30, 2003.

The Schedule of Expenditures of Federal Awards also includes certain programs administered by the Commonwealth's public institutions of higher education, except for the University of Massachusetts, which issues its own Schedule of Expenditures of Federal Awards and Data Collection Form, and the activity of certain non-cash programs. The detail of such program activity is maintained by the institutions and responsible administrative departments.

Statutory basis expenditures are generally recorded when the related cash disbursement occurs. At year-end, payroll is accrued and payables are recognized for goods or services received by June 30, to the extent of approved encumbrances.

The following is a reconciliation of the Schedule of Expenditures of Federal Awards to the combined financial statements-statutory basis (amounts in thousands):

Total federal revenues per Statutory Basis Financial Report	\$ 8,123,997
Add:	
Programs administered by public institutions of higher education	78,867
State share of U. I. funds from Note 8	1,920,562
Expenditures	1,230
Non-cash programs:	
Food stamp script	240,173
Value of donated food	13,299
Vaccine purchases directly by federal government	24,054
Subtract:	
Medicare reimbursements	(16,317)
Total expenditures of Federal Awards per schedule	\$ 10,385,865

The Commonwealth receives payments from the federal government on behalf of Medicare eligible patients for whom it has provided medical services at its state-operated medical facilities. Since these payments represent insurance coverage provided directly to individuals under the Medicare entitlement program, they are not included as federal financial assistance. The Commonwealth has generally combined its departmental program accounts by federal catalog number, and it has made a concerted effort to reduce the number of program accounts lacking full catalog number identifiers.

NOTE 2 - REPORTING ENTITY

The Schedule of Expenditures of Federal Awards includes various departments, agencies, boards and commissions governed by the legislature, judiciary and/or constitutional officers of the Commonwealth of Massachusetts. It also includes research grants and contracts and federally-funded financial assistance to students provided to the Commonwealth's institutions of public higher education, excluding the University of Massachusetts, which is reported separately, and the values of food stamps and commodities received under U.S. Department of Agriculture programs.

The Schedule of Expenditures of Federal Awards does not include federal funds received and expended by independent authorities and other organizations included in the reporting entity under the criteria of the Governmental Accounting Standards Board, as described in Note 1 to the Commonwealth's general purpose financial statements published in the Comprehensive Annual Financial Report for the fiscal year ended June 30, 2003. These authorities and organizations are responsible, where necessary, for obtaining separate audits of their federal awards.

NOTE 3 - SOCIAL SECURITY DISABILITY INSURANCE PROGRAM

The Massachusetts Rehabilitation Commission operates the Social Security-Disability Insurance Program and the Supplemental Security Income Disability Program (CFDA 96.001 and 96.006, respectively) under a single state appropriation and departmental program account. On an operating basis, expenditures are allocated between the programs based on medical expenses incurred; personnel and overhead costs are determined by the Social Security Central Office. For the fiscal year ended June 30, 2003 expenditures of \$15,363,766 were attributed to the Supplemental Security Income Disability Program.

NOTE 4 - DONATED FOOD VALUE

Donated food represents surplus agricultural commodities received from the U.S. Department of Agriculture valued in accordance with federal guidelines. Commodity inventories at June 30, 2003 totaled approximately \$3,957,112.

NOTE 5 - HIGHER EDUCATION FEDERAL FINANCIAL ASSISTANCE PROGRAMS

The 24 public institutions of higher education, excluding University of Massachusetts, record expenditures for financial assistance programs as follows:

Federal Supplemental Educational Opportunity Grants	84.007	\$ 3,622,882
Federal Work Study Program	84.033	4,399,105
Federal Pell Grant Program	84.063	57,535,806
Other Federal Student Services	84.999	13,128,879
Nursing Student Loans	93.364	 180,050
GRAND TOTAL		\$ 78,866,722

NOTE 6 - FEDERAL FAMILY EDUCATION (FFEL) AND FEDERAL DIRECT STUDENT LOANS (FDL)

The Schedule of Expenditures of Federal Awards does not include FFEL (CFDA 84.032) nor FDL (84.268) which are made directly to individual students. For Massachusetts' residents, FFEL loans are guaranteed by the American Student Assistance Corporation, which is not part of the reporting entity of the Commonwealth. FDL loans are made directly by the U.S. Department of Education. FFEL loans made to students enrolled in the Commonwealth's public institutions of higher education during fiscal year 2003 totaled \$25,250,552; FDL loans totaled \$30,179,858.

NOTE 7 - FEDERAL PERKINS LOAN PROGRAM

The Federal Perkins Loan Program (CFDA 84.038) is administered by the Commonwealth's public institutions of higher education, excluding the University of Massachusetts. Fiscal year 2003 activity included federal revenues of \$13,554, loan repayments of \$2,422,070, and loan funds disbursed of \$2,771,241. Loans outstanding at June 30, 2003 totaled approximately \$23,086,577.

NOTE 8 – UNEMPLOYMENT INSURANCE PROGRAM (UI) CFDA 17.225

The U.S. Department of Labor, in consultation with the Office of Management and Budget officials, has determined that for the purpose of audits and reporting under OMB Circular A-133, state UI funds as well as federal funds should be considered federal awards for determining Type A programs. The State receives federal funds for administrative purposes. State unemployment taxes must be deposited to a state account in the Federal Unemployment Trust Fund, used only to pay benefits under the federally approved state law. State UI funds as well as federal funds are included on the Schedule of Expenditures of Federal Awards. The following schedule provides a breakdown of the state and federal portions of the total expended under CFDA Number 17.225:

State UI Funds	\$ 1,920,562,186
Federal UI Funds	803,314,834
Total Expenditures	\$ 2,723,877,020

NOTE 9 - PROGRAM CLUSTERS
